Navigating Guardianships

Speakers from APSI (Advocacy and Protective Services, Inc.) will be here to explain guardianships and how to navigate the process of becoming a guardian.

APSI representatives have many years of experience working with the guardianship process and will provide an overview of what it means to be a guardian, how to apply for guardianship, and the updated requirements of guardians in the State of Ohio. They will be bringing the most up-to-date information needed by parents followed by a question and answer session. Please join us for this very informative meeting.

ALL parents and caregivers are invited to attend the Parent Sessions.

Please bring your son or daughter (ages 12-22) to participate in the Student/Young Adult Session. Activities will be provided while adults are attending the training series.
